About Read to a Child

Read to a Child is a national nonprofit literacy and mentoring organization that inspires caring adults to read aloud regularly to at-risk children to create better opportunities for the child's future. Research shows that reading aloud to children is the single most important activity for eventual success in reading, a key factor for success in school, work, and life. When an adult reads aloud to a child, both parties have a joyful, rewarding experience that instills a love of reading, improves literacy skills, and enhances a child's self-confidence. Read to a Child's **Lunchtime Reading Program** utilizes 2,000 volunteer mentors from more than 150 socially-minded organizations who read one-on-one to more than 1,500 at-risk elementary school students in the metro areas of Boston, Detroit, Hartford, Los Angeles & Miami.
