- 4) Scroll to the bottom of the Parent Questionnaire and click the “Skip” button.
- 5) Add your student’s name (or your own if you don’t know your student’s name yet), Grade (if unknown, select third grade), and click on “Skip Assessment.”
- 6) Select “Go to Library”

To enter and navigate:

- 1) Go to www.readingiq.com/login, enter your email and password. Then click on the blue “Log In” button.
- 2) Once in, you can browse books by grade level or category using the icons in the upper right corner. You can also search for a specific book or topic using the search icon.
- 3) If you want to keep track of books you might want to come back to, or select a few ahead of a session to provide a limited selection for your child, click on the book cover and favorite it by clicking on the heart on the upper right corner.

You can return to your favorited books by going to “My Shelf” in the upper right hand corner and scrolling down to the “Favorites” section.

- 4) If the book you are reading has a  on it, select the “I Can Read” option.
- 5) Once open, you can click on the right hand page to turn the page. You can also zoom in if you like by hovering over the book and selecting the magnifying glass in the upper right section of the book.
- 6) You will share your screen during the read aloud session with your reading buddy per your Zoom or Google Meet instructions. Please be sure to only share the web page containing the book (no search engines, other documents or open tabs, etc).
